# ABOUT THE ANNEX

Collingwood Neighbourhood House offers a variety of programs, services and initiatives for all ages, cultural backgrounds and languages in the Renfrew-Collingwood neighbourhood. The opening of our 10,250-square-foot annex at Boundary Road and Vanness Street will provide a unique opportunity to expand the depth and breadth of our programming, including an arts-and-culture focus.

The space includes:

- A 2,700-square-foot multipurpose space with a sprung floor
- A 950-square-foot commercial-grade kitchen
- A 700-square-foot arts room
- A children's room suitable for child-minding or a pre-school with outdoor play area
- Office space and a staff break room.
- Fifty-one parking spaces, some located directly under the Annex and some under the adjacent tower.

# SUPPORT THE ANNEX

Collingwood Neighbourhood House is growing and we need your help! We are grateful for this much-needed community space in our rapidly densifying neighbourhood, but we must raise funds to open and maintain our beautiful new space.

You could make a tax-deductible donation through:

- GoFundMe at [www.gofundme.com/cnh-annex-lights-on](http://www.gofundme.com/cnh-annex-lights-on)
- A cheque dropped off at either 5288 Joyce Street or 3690 Vanness Avenue
- Our website at [www.cnh.bc.ca/cnh-donation/](http://www.cnh.bc.ca/cnh-donation/)

Together, we'll turn the Annex Lights On! and make our neighbourhood even more vibrant. For more information call 604 428 9142 (Annex) or 604 435 0323 (Joyce St. Location).
