

# The British Columbia Community Asset Mapping Network

## *Mapping the heart of our communities*

*"Mapping is fun and we all have stories and connections to share"*  
(BCCAMN Member)

### Who are we?

The British Columbia Community Asset Mapping Network (BCCAMN) is a group of citizens from around the province learning how to use community mapping as a way to build connections and increase inclusion and belonging for all people. Our network was started by Community Living BC Councils made up of people with diverse abilities, family members and community partners.

### Our Vision

*Welcoming, kind and inclusive communities where all people know how and where to connect in their community*

**We believe community mapping will help us build stronger communities by:**

- ❖ Sharing our Stories and Building Connections
- ❖ Mapping and Gathering Community Gifts and Assets
- ❖ Visioning and Building an Inclusive Future

### What do we do?

We have partnered with the Vancouver Public Library to map and share community gifts and resources related to **accessibility, social connection, and inclusive housing.**

Vancouver Public Library

Our next session is **March 02 2019**, at **the Strathcona Public Library** (730 E Hastings St, Vancouver BC) from 2:00 PM – 5:00 PM for a guided community mapping event (Registration required, up to 20 people, please RSVP to [dawn.kennedy@gov.bc.ca](mailto:dawn.kennedy@gov.bc.ca) to register). Food will be provided for the guided session from 2:00 PM – 5:00 PM, so please RSVP to guarantee your spot. Please note this event is **FREE!**

*"When people are connected to the community life is better because of it!"* (BCCMN member)

*"Such an amazing 'product' can result from a fun process which brings people together and builds relationships"* (BCCAMN member)

### What's Your Story?

Do you have a community gift to share? We welcome individuals and communities to join our Community Asset Mapping Network.

### Join Us!

Please RSVP by Feb 28 for an afternoon of Community Mapping.
